An update from the Catholic Schools Office

Superintendent's Message

Dear Families of the Catholic Diocese of Birmingham Schools,

As with the general population, our schools have experienced a significant increase in cases of Covid-19. As a result, staffing and student attendance have been impacted in several locations, and some classrooms have had to shift to virtual learning. Thankfully, consistent mask wearing by all greatly reduces the number of people required to quarantine in close contact situations so we have been able to keep a greater number of students and staff at school, teaching and learning.

We will continue to monitor the current situation throughout the next few weeks and make adjustments in our protocols as soon as possible. However, in the meantime, masks will continue to be required at all Diocese of Birmingham schools. Thank you for your understanding as we navigate this current surge in cases and work to maintain a safe, uninterrupted learning and working environment for our students and our staff.

Margaret Dubose
Superintendent of Schools
